PETITION TO CORRECT CUSTOMER NUMBER

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

Applicant has difficulty communicating with the Patent Office in regards to the above-identified application, particularly on FORM PCT M-905. It has recently been found via telephone conversation with the Patent Office that the reason for the difficulty was that the attorney registration number of the undersigned was inputted as the customer number in the records of the Patent Office.

In view of the above, it is hereby petitioned that the Patent Office correct the customer number for the above-identified application from 27177, which is the attorney registration number, to 003713, which is the correct customer number of the undersigned.

Respectfully submitted,

KODA & ANDROLIA
